Nothing can beat a relaxing weekend at the lake. Let your stress disappear as you enjoy the great outdoors - camping, fishing, water activities, picnic meals, campfires and watching the sunset over the lake.

We are located on Lost Island Lake near Ruthven, Iowa. The lake is 1266 acres, making it the 6th largest natural lake in Iowa. We have 1520 feet of shore line with 90 campsites, 8 rental cabins and 4 rental houses.
